Board of Trustees Elections

Nominations close THIS FRIDAY at midday.

If you or a parent you know are interested in helping to shape the future for our school, then this is your chance.

We are continuing with our school re-development and about to start the formal process of designing and building a brand new base school. Our hope is to build a school that will best meet the diverse range of needs our students have and to build a school which is future focussed. One with outstanding teaching and therapeutic spaces and a place in which our whānau and wider community can freely engage.

The core business of a Board of Trustees is the governance of the school - reviewing policies and procedures, designing the Charter and Annual Plan, along with financial oversight.

The board meets twice termly and occasionally sub-committees are formed for specific pieces of work (like helping to design our new school for example!).

It is a great way to meet other parents, share your own experiences, get to really know the school and staff, and most importantly shape the education your child and the children of other parents have.

Parents, Caregivers & Whānau/Family Consultation

It is an exciting time for our whole school community as we move into the conclusive stages of finalising the future developments for our school and we need to hear your thoughts, ideas and desires for what the future schooling options for your child/young person could look like.

Please join us for the next discussion on Friday, 24th May at 11:00am here at school. Morning tea will be provided and it will give you a chance to share your thoughts with other parents and our staff.

Satellite classes?

What about High School?

Um, what facilities does my child need?

What is inclusion?
Will the curriculum reflect our kaupapa?

Where will the new school be?

We really want to hear from you, so come along.

What do I want the new school to look like?

What is really happening and what choices do we have?

Please come along and share your thoughts this coming Friday at 11:00am.
